## **1. Introduction**

---

ADF is committed to making Dodgeball a safe and fair place for all participants. To achieve this, ADF has adopted the National Integrity Framework.

The National Integrity Framework is designed to assist with creating a safe and fair sporting environment for all by setting out the rules about the types of behaviour that are unacceptable in Dodgeball. These unacceptable behaviours are defined as Prohibited Conduct. The National Integrity Framework seeks to guide Relevant Persons and Relevant Organisations on what to do if they experience or witness breaches of these rules.

The National Integrity Framework has been developed by Sport Integrity Australia and is made up of the following five policies:

- Safeguarding Children and Young People Policy;
- Competition Manipulation and Sport Gambling Policy;
- Improper Use of Drugs and Medicine Policy;
- Member Protection Policy; and
- Complaints, Disputes and Discipline Policy (this **Policy**)

Within the National Integrity Framework, this Policy sets out the process and parameters for how allegations of Prohibited Conduct are managed and resolved.

The National Integrity Framework policies are collectively known as the **Relevant Policies**.

This Policy should be read and used in conjunction with the Relevant Policies.

Nothing in the National Integrity Framework overrides a law of the Commonwealth, or a state or territory, which take precedence and must be complied with in the first instance.

## **6. Making a Complaint or Report**

---

- (c) A Complainant cannot be anonymous.

### **1.6 Who is a Respondent?**

- (a) A Respondent is a Relevant Person or Relevant Organisation about whom a Complaint or Report has been made and who was bound by the Relevant Policy/ies at the time the alleged Prohibited Conduct occurred.

## **1.7 Vulnerable Persons and support persons**

- (a) Where required, the parent or carer of a Vulnerable Person who is a party to a Complaint may support the Vulnerable Person and/or act on their behalf if necessary through the Complaints Process and any subsequent Resolution Process. For example, at any interview, Alternative Dispute Resolution process, or Hearing Tribunal or Appeals Tribunal.
- (b) Relevant Organisations may have regard to the guide entitled “Complaint Handling Guide: Upholding the rights of children and young people” issued by the National Office for Child Safety in managing Complaints made on behalf of or involving Vulnerable Persons, currently available [here](#), or such other guide that may replace it.
- (c) A party to a Complaint may request that they be assisted by a support person or authorised representative. This request will generally be granted unless there is a specific reason to deny it (for example, where a nominated support person or authorised representative is also a witness to the allegations or is actively hindering the interview process). Reporters and witnesses may be permitted to be assist by a support person or authorised representative where this is considered appropriate.

## **1.8 What is a Report?**

- (a) A Report is a submission of allegations that a Respondent has engaged in conduct which may be Prohibited Conduct which does not meet the definition of a Complaint.
- (b) Reports received by the ADF may be recorded for information purposes only with no further action taken. The process for managing a Report will be at the discretion of the Complaints Manager. In some circumstances, Reports may be managed through the Complaints Process. Reporters will not be contacted regarding their Report unless further information is required.
- (c) Factors that may be taken into account in determining whether to progress a Report through the Complaints Process include (but are not limited to) the seriousness of the alleged conduct, the availability of evidence that could be relied upon in an investigation, whether a person or organisation has been directly affected by the alleged Prohibited Conduct and if so their circumstances and preferences, the perceived risk to the sport, and whether there have been other Reports relating to similar allegations.
- (d) A Report may be made anonymously, however this may limit the action that can be taken in relation to the allegations.
- (e) Where multiple Reports relate to the same or related alleged conduct by the same Respondent, they may be combined for the purposes of the Complaints Process.
- (f) If a Report is to be progressed through the Complaints Process, any reference to a Complaint throughout this Policy will apply to the Report.

- (a) A Complaint or Report may be submitted to Sport Integrity Australia where it relates to alleged Prohibited Conduct under the Safeguarding Children and Young People Policy or allegations of Discrimination under the Member Protection Policy.

- (b) Complaints relating to matters such as personal grievances, issues related to employment, governance, eligibility and selection disputes, and competition-related rules will not be managed by Sport Integrity Australia.
- (c) A Complaint or Report may be submitted to ADF where it relates to any alleged Prohibited Conduct.
- (d) Where a Complaint relates to alleged Prohibited Conduct below the national level, ADF may delegate its functions and responsibilities relating to managing Complaints under this Policy to a Relevant Organisation, other than those functions and responsibilities set out in this clause. ADF must take into account any significant conflict of interest, and whether it can be appropriately managed, in considering whether to delegate such functions and responsibilities to a Relevant Organisation. If delegated:
  - i. any reference to ADF in provisions relevant to the delegated functions will be read as a reference to that Relevant Organisation;
  - ii. the matter remains subject to overview and review by ADF, which may require the Relevant Organisation managing the Complaint to remedy any failure to discharge a delegated responsibility and/or improper exercise of a delegated function.
- (e) The organisation managing the Complaint may appoint an independent investigator where appropriate but will remain responsible for overall management of the Complaint.
- (f) Sport Integrity Australia will keep records of information in accordance with the *Archives Act 1983*. ADF will keep records of information in accordance with its own policies and procedures.

## **1.2 Submitting a Complaint or Report**

- (a) A Complaint can be withdrawn at any time. Withdrawing a Complaint must be done in writing (including electronically) to the organisation that it was submitted to.
- (b) Where a Complaint has been withdrawn, the organisation managing the Complaint may choose to continue to progress the matter through the Complaints Process.

## **1.12 Confidentiality**

- (a) All Complaints and Reports will be kept in confidence.
- (b) Any Relevant Organisation may disclose information as required or authorised by law.
- (c) Subject to this clause, decisions around appropriate disclosure of information will be addressed on a case-by-case basis. Disclosure of information to parties not directly affected by the alleged behaviour may be restricted.

## **1.13 Appointment of Complaint Manager**

- (a) ADF will appoint a Complaint Manager, who will be responsible for managing ADF's obligations under this Policy.

## **1.14 Failure to cooperate**

- (a) Subject to clause 6.12(c), Relevant Persons should cooperate fully with any Complaints Process or Resolution Process they are involved in. A failure to do so may be Prohibited Conduct under clause 5.1(a) of this Policy.

- (b) If a Respondent fails or refuses to respond, after a request has been made in a reasonable time in advance, to answer any relevant question, provide relevant documentation, and/or participate in a Complaints Process or Resolution Process, the ADF, a Hearing Tribunal or an Appeals Tribunal (as applicable) may make findings based on the available information.
- (c) No individual or organisation bound by this Policy is required to answer a question or provide information where to do so would be a breach of any applicable law.

## **7. The Complaints Process**

---

### **1.15 Evaluation**

- (a) Upon receipt of a Complaint, the organisation which receives the Complaint will determine whether the matter falls within the scope of the Relevant Policies. In making this determination the organisation will consider whether the conduct alleged in the Complaint would, if proven to the requisite standard, constitute Prohibited Conduct, as well as whether it otherwise meets the requirements of clause 6. The organisation will also make a determination in accordance with clause 6.7. as to which organisation should manage the Complaint.
- (b) Where a Complaint has the potential to be managed by the ADF, these organisations may consult on who is best placed to manage the Complaint.
- (c) Where a Complaint is determined to be out of scope under the Relevant Policies, it may be managed under an alternative policy of a Relevant Organisation (if applicable).
- (d) Mischievous or vexatious claims will not be managed under this Policy.
- (e) A Complaint that has been previously managed through a complaints process will not be reconsidered or reinvestigated unless there are compelling reasons to do so, such as relevant new information becoming available.
- (f) Where a Complaint raises allegations about behaviour that could be a breach of both a Relevant Policy or another policy of a Relevant Organisation, the matter will be managed under the most appropriate policy. Where conduct may constitute Prohibited Conduct but is a Protected Disclosure with respect to ADF, it must be dealt with under ADF's whistleblower policy.
- (g) If the Complaint is determined to be out of scope of the Relevant Policies, the organisation which received the Complaint will notify the Complainant and no further action will be taken under this Policy.
- (h) If a person considers that a child is at risk of immediate harm the matter must be reported to the relevant law enforcement/child protection agency as soon as possible.

### **1.16 Case Categorisation Model: In-scope matters**

- (a) Once a Complaint has been deemed to be in-scope, it will undergo Case Categorisation to determine an appropriate means of dealing with the Complaint. Complaints are categorised with reference to the nature of the alleged conduct, the possible level of harm and complexity of the issues raised in the Complaint (refer to Case Categorisation Model).
- (b) Following Case Categorisation, any one or a combination of the following actions may be undertaken:
  - i. External referral;
  - ii. Referral to a Hearing Tribunal;
  - iii. Provisional Action;
  - iv. Investigation;
  - v. Alternative Dispute Resolution;
  - vi. Case closure.

- (c) For Complaints that have been categorised as Category 1, the Complaint may be closed in accordance with clause 8.10(a)i. with no findings being made or sanction imposed. A Respondent may be reminded of their obligations under the Relevant Policies or recommended to undergo education or training.
- (d) ADF may refer a Complaint directly to a Hearing Tribunal to hear the allegations and make findings about the Complaint instead of proceeding to an investigation.

#### **1.17 External referral**

- (a) At any time during the Complaints Process, allegations may be referred to a relevant external organisation if it will assist the organisation to perform or exercise any of the functions, duties or powers. This may include referral to a law enforcement agency, government or regulatory authority or child protection agency. If a person considers that a child is at risk of immediate harm the matter must be reported to the relevant law enforcement/child protection agency as soon as possible.
- (b) If an external referral is made, the Complaints Process may be suspended pending external resolution to avoid any potential compromise to the external process.

#### **1.18 Provisional Action**

- (a) Where an allegation suggests a risk of harm to a Participant which justifies imposing Provisional Action, the ADF will determine whether any Provisional Action will be taken to mitigate any potential harm to any person and/or interference in an investigation.
- (b) Provisional Action may only be taken by Relevant Organisations.
- (c) Provisional Action may include suspension, supervision, restriction of duties or temporary re-deployment, or suspension or restriction of rights, privileges or benefits.
- (d) If a decision is made to impose Provisional Action, a Respondent may seek to have that decision reviewed by a Hearing Tribunal. The Hearing Tribunal will only consider whether the decision to impose the Provisional Action is proportionate to the perceived risk of harm and will not consider the merits of the Complaint except as is necessary to assess proportionality.

#### **1.19 Investigation**

- (a) The organisation responsible for managing the Complaint may conduct an investigation to obtain additional evidence, including by way of formal interview and collection of additional information, to determine if the alleged Prohibited Conduct is a breach of a Relevant Policy.
- (b) In conducting an investigation, the rules of procedural fairness will apply, including by providing both the Complainant and the Respondent with a reasonable opportunity to be heard.
- (c) Where a Respondent has been convicted or found guilty in a criminal, disciplinary or professional proceeding of engaging in conduct which would constitute Prohibited Conduct under a Relevant Policy, the Respondent will be deemed under this Policy to have committed Prohibited Conduct without requiring further investigation, or any other process.
- (d) Following an investigation, the Complaint will be managed in accordance with clause 8, or if being managed by the ADF may be referred directly to a Hearing Tribunal.

#### **1.20 Standard of proof**

- (a) The standard of proof that applies to all substantive decisions (including by a Hearing Tribunal) made under this Policy in respect of allegations of Prohibited Conduct is "balance of probabilities". This means the decision-maker must be satisfied that it is more likely than not that there has been a breach of a Relevant Policy.

### **1.21 Alternative Dispute Resolution**

- (a) The Complainant and the Respondent may agree to an Alternative Dispute Resolution. The Complaints Process may be suspended while Alternative Dispute Resolution is pursued. The Complaints Process may be discontinued if both parties are satisfied that the matter has been resolved.
- (b) This process will be coordinated by the Complaint Manager, if required.

## **8. Findings and Resolution Process**

---

### **1.22 Findings**

- (a) Unless the matter has been referred directly to a Hearing Tribunal under clause 7.5(d), following an investigation, the organisation managing the Complaint will determine whether, to the requisite standard of proof, the allegation of Prohibited Conduct is substantiated, unsubstantiated or unable to be substantiated.
- (b) The ADF will notify the parties of the findings, and if the allegation of Prohibited Conduct is substantiated, will manage the Resolution Process described in clause 8.2.

### **1.23 The Resolution Process**

- (a) ADF must implement an appropriate Resolution Process.
- (b) Consistent with clause 6.7(d), ADF may delegate the management of the Resolution Process to another Relevant Organisation.
- (c) ADF is ultimately responsible for issuing a Breach Notice to the Respondent and applying and administering Sanctions and other related measures as it sees fit. ADF may refer to Sport Integrity Australia's [Case Categorisation Model](#) for this purpose.
- (d) Where a Respondent admits the alleged breach and accepts the Sanction, or fails to respond to the Breach Notice within the time prescribed within the Breach Notice, the ADF Complaint Manager may impose the Sanction and proceed to finalise the Complaint.

### **1.24 Notification to parties**

ADF will communicate as appropriate with the Respondent, Complainant and any Relevant Organisation involved in the matter throughout the Resolution Process and will notify both the Complainant and the Respondent of the outcome and finalisation of the matter at the conclusion of the Resolution Process.

### **1.25 Appropriate Sanctions**

- (a) ADF may impose one or more Sanctions on a Respondent where this is considered appropriate.
- (b) In making a determination under clause 8.4(a) ADF may refer to the [Case Categorisation Model](#), taking into account:
  - i. the seriousness of the behaviour;
  - ii. whether it was a one-off incident or part of an overall pattern of behaviour;
  - iii. whether it was an honest and reasonable mistake;
  - iv. the potential impact on public confidence in the integrity of the sport;
  - v. the potential impact of the proposed Sanction on the Respondent;
  - vi. the views and opinion of the Complainant; and
  - vii. any other relevant aggravating or mitigating factors.

## **1.26 Breach Notice**

- (a) If the allegations are found to be substantiated, ADF will issue a Breach Notice. Any Breach Notice issued by ADF to a Respondent will:
  - i. notify the Respondent of the allegations found to be substantiated, including the alleged conduct;
  - ii. state the proposed Sanction, if any, for the substantiated allegations;
  - iii. state that the Respondent has a right to a hearing in relation to the allegations found to be substantiated and/or the proposed Sanction;
  - iv. state that the Respondent may accept the findings, waive their right to a hearing and accept the proposed Sanction;
  - v. state that if the Respondent does not respond in writing within 14 days of the date of the Breach Notice, they will be deemed to have accepted the findings, waived their right to a hearing and accepted the proposed Sanction, unless otherwise agreed by ADF;
  - vi. state that any response to the Breach Notice must be made to ADF, and provide contact details of the Complaint Manager; and
  - vii. be provided to the Respondent, and (if applicable) Relevant Organisation.
- (b) In response to a Breach Notice, a Respondent may:
  - i. accept the findings, waive their right to a hearing and accept the proposed Sanction; or
  - ii. dispute the findings and/or the proposed Sanction, in which case the matter will be referred to a Hearing Tribunal under this Policy.
- (c) Unless otherwise agreed by ADF, a Respondent has 14 days from the date of the Breach Notice to notify the Complaint Manager in writing of their decision.
- (d) Notice given under paragraph 8.5(b)ii. must be:
  - i. given in writing (whether by email or other means);
  - ii. sent to the ADF Complaint Manager at the address given on the Breach Notice; and
  - iii. received within 14 days from the date of the Breach Notice.
- (e) If ADF does not receive notice under clause 8.5(b)ii. within 14 days from the date of the Breach Notice, the Respondent will be deemed to have waived their right to appeal.

## **1.27 Referral to a Hearing Tribunal**

- (a) If the Respondent disputes the substantiated allegations and/or the proposed Sanction in the Breach Notice, the Complaint Manager must refer the matter to a Hearing Tribunal.

## **1.28 Hearing Tribunals**

- (a) Arrangements must be established to manage internal hearings and appeals.
- (b) If arbitration is sought in an internal Hearing Tribunal, the Hearing Tribunal will, as applicable:
  - i. determine whether any Provisional Action imposed in accordance with clause 7.4 is disproportionate; or
  - ii. if referred directly to the Hearing Tribunal under clause 7.1, make the findings required by clause 8.1, and determine whether a Sanction should be imposed and if so, the nature of that Sanction; or
  - iii. if referred to a Hearing under clause 8.6 following an investigation, arbitrate the substantiated allegations and proposed Sanction set out in the Breach Notice.

### **1.29 Appeals**

- (a) A decision of a Hearing Tribunal in respect of:
  - i. Provisional Action, is not subject to appeal;
